Realcomp II Ltd. Launches Great Lakes Repository Data, Significantly Expands Data Sharing

FARMINGTON HILLS, Mich. (April 19 2016) - Realcomp II Ltd. announced today that it has added MLS data from the Great Lakes Repository (GLR) to its systems. The GLR database contains listings provided by participating MLS organizations. The new partnership will provide Realcomp REALTORS® with enhanced access to on and off market listings.

As part of the Great Lakes Repository, Realcomp subscribers will have the ability to access data from nine (9) additional MLS services representing communities across the state of Michigan including:

- Down River Association of REALTORS®
- Greater Shiawassee Association of REALTORS®
- Hillsdale County Board of REALTORS®
- Jackson Area Association of REALTORS®
- Lenawee County Association of REALTORS®
- MiRealSource MLS
- Monroe County Association of REALTORS®
- Montcalm County Association of REALTORS®
- Saginaw Board of REALTORS®

“Real estate is a data driven business. The ability to access, track and manage comprehensive listings from across the region and state is essential to REALTOR® success,” said Karen Kage, CEO, Realcomp. “By joining the Great Lakes Repository, we are helping REALTORS® provide more value for their clients,” she added.

In addition to the GLR initiative, Realcomp continues to maintain other long-standing MLS data sharing partnerships, which span the State of Michigan and the country. These include MLS data sharing arrangements with Ann Arbor (direct data exchange), Genesee/ECAR (direct data exchange), West

Michigan/MichRIC (password sharing), the Greater Lansing Area/GLAR (Data Co-op), and other out-of-state organizations that use the CoreLogic MLS Data Co-Op for sharing.
