## MLS Partnership Program

***Your Listings, Your LEADS!***

This partnership affirms that your listings are accurate on Homes.com by pulling the information directly from your MLS. In return, we display those listings responsibly, **ensuring that the listing agent always gets a copy of the lead**, and provide you with a free suite of tools allowing you to connect with all your leads.

### Responsible Display

- All listing inquiries are sent to the listing agent at no charge.
- Listing brokerage and agent are clearly identified on the listing detail page.
- Listing activity report - perfect to share with your clients.
- Listing data updated regularly from the MLS system.

### A Suite of Lead Management Tools

- Lead & Contact Manager
- Lead Aggregation from Multiple Sources
- Email App with Built-in Touch Campaigns
- Social Networking and Prospecting App
- Task Manager/Calendar
- "Consumer - Question & Answer" Control Panel
- Homes.com Facebook Listing App
- Broker Control - Lead Delivery Management
