**REALCOMP TEAMS WITH OFFICEMAX TO OFFER
DISCOUNT PRINTING SERVICES**

FARMINGTON HILLS, MICH. (August 29, 2011) — As the cost of doing business continues to rise, Realcomp, Michigan's largest MLS, has teamed with OfficeMax ImPress to provide its customers with special pricing on printing services through the Retail ConnectSM Card, at no charge.

Realcomp customers will receive discounts of nearly 30 percent on color flyers and more than 67 percent on black and white copies, providing an opportunity to steeply reduce business costs. In addition, Retail ConnectSM Card holders will save on business cards, stationery, posters, banners, signs and digital color and black & white prints.

"The seemingly small costs of business, including paper and ink, add up very quickly," said Karen Kage, Realcomp CEO. "With the Retail ConnectSM Card, we hope to help our customers save on their everyday business expenses. Every Realcomp REALTOR[®] is eligible for the card and discount."

Realcomp REALTORS[®] can access the Retail ConnectSM Card from Realcomp's corporate website at www.Realcomp.com beginning this week. MLS users simply need to click "Products & Services", "OfficeMax Retail Connect Card", and the link to the flyer. They will be prompted for their ID and password (which are the same for Realcomp *Online*[®]) to access the card. They can then print the flyer and take it with them to any of Office Max's nearly 900 retail locations to have the card laminated (for FREE) and to begin using it.

Realcomp is headquartered in Farmington Hills, Michigan and has continuously operated as a full-service provider to the real estate industry, offering Multiple Listing Services, real property data, products and training since 1994.
