REALCOMP II LTD. SELECTS REMINE AS EXCLUSIVE PUBLIC RECORD DATA PROVIDER

RCO3® tax data now powered by Remine

(FARMINGTON HILLS, MI – November 6, 2018) Realcomp II Ltd. has signed a multi-year exclusive license with Remine to provide tax data across all counties in Michigan to power the RCO3® system. The long-term selection of Remine by Realcomp once again underscores a commitment to innovation and efficiency for subscribers.

Realcomp has been utilizing Remine for collecting up to date Summer and Winter tax data in house since 2017.

"Our goal is to deliver cutting-edge tech solutions that position our REALTOR® subscribers to excel in the marketplace. The Remine data collection and delivery process will give Michigan REALTORS® the ability to stay up to date with tax information from across the state on their desktop or mobile device," said Karen Kage, CEO, Realcomp. "By selecting a modern platform, we have ensured Realcomp will continue to be the innovative choice of Michigan REALTORS®."

Realcomp was one of the first customers on the Remine platform and has achieved 40% activation levels inside of the first 6 months of deployment. "We are excited with the expansion of our relationship because it is a validation of our commitment to serve our MLS partners with the best technology and data," said Jonathan Spinetto COO and Co-Founder of Remine.

About Remine

Remine, the fastest growing MLS platform in history, is a real estate Property Intelligence Platform® for agents that is delivered exclusively through the MLS. The platform analyzes property records, transactional history, and consumer data to deliver actionable insights to agents through an intuitive map-based user interface. Remine is available to every agent in over 35 MLSs totaling nearly 750,000 members. For more information, visit www.remine.com or contact us at press@remine.com.
