I certify I have read and agree to the Realcomp Electronic Lockbox User Agreement. This agreement can be found on www.realcomp.com.

I understand the SentriLock Electronic Lockboxes are the property of Realcomp and must be returned to Realcomp or to my Broker/Designated REALTOR® upon the inactivation of my Realcomp MLS account.

I understand that for Realcomp to best manage its electronic lockbox service and maintain its current service levels, it needs to ensure its lockbox inventory is being utilized as intended--as well as possible--while remaining fiscally responsible. As such, I may be asked to transfer one or more unused lockboxes in my possession to an associate in need.

Required

I also understand electronic lockboxes should never be discarded, for any reason, and that I am responsible for contacting Realcomp to arrange for a lockbox to be returned, exchanged, or serviced (i.e., low battery, shackle not opening, etc.). Failure to do so could result in a \$120 equipment recovery charge per lockbox being assessed to me.

If I have chosen to have Realcomp ship my order, I understand the shipping and handling fees will be invoiced to me and must be paid before Realcomp will ship my order. Once payment is made my order will take 1-3 days to receive.
