## REAL ESTATE APP

Our SentiSmart® Mobile App is being revamped!

## A new look, a new feel, new features and a new name.

### Elevated Curb Appeal

Sleek new images and updated icons give our new app an updated look with clearer prompts.

### Open Floor Plan

Our simplified home screen design and action-based functionality makes it easy to maneuver and complete tasks quickly.

### Reinforced Foundation

Additional property and showing data will reinforce our app as a valuable sales tool.

### New Amenities

Access and edit your Digital Member ID and view lockbox access logs conveniently, with increased sorting and search capabilities.

### Smart and Connected

Enhanced Bluetooth® functionality included to improve app experience for Android users.
