Electronic Signing Guide for Consumers Using Docs+

Congratulations! You are buying or selling a property and now your agent needs you to electronically sign some documents to get the ball rolling!

1. When you receive the document(s) via email from your agent, click the **View All Docs** button.

2. Select all of the documents that were sent to you to sign and click Continue.

3. If there is anything that the agent needs you to fill out on the form(s), do that first and then click **Sign** in the upper right corner when it is complete.

	Cancel Create					

- 7. Continue with clicking the initials and signatures until all are complete.
- 8. When you have finished the signing, click **Done** in the upper right corner and that will send a copy of the signed document to you and will send it to your agent.

Good luck on your sale or purchase! If you have questions, please contact your agent for assistance.
