

**Policy governing use of MLS data in connection with  
Internet brokerage services offered by MLS Participants  
("Virtual Office Websites")**

**I. Definitions and Scope of Policy.**

1. For purposes of this Policy, the term Virtual Office Website ("VOW") refers to a Participant's Internet website, or a feature of a Participant's Internet website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS data, subject to the Participant's oversight, supervision, and accountability.

a. A Participant may designate an Affiliated VOW Partner ("AVP") to operate a VOW on behalf of the Participant, subject to the Participant's supervision and accountability and the terms of this Policy.

b. A non-principal broker or sales licensee, affiliated with a Participant, may, with the Participant's consent, operate a VOW or have a VOW operated on its behalf by an AVP. Such a VOW is subject to the Participant's supervision and accountability and the terms of this Policy.

c. Each use of the term "Participant" in this Policy shall also include a Participant's non-principal brokers and sales licensees (with the exception of references in this section to the "Participant's consent" and the "Participant's supervision and accountability," and in section III.10.a, below, to the "Participant acknowledges"). Each reference to "VOW" or "VOWs" herein refers to all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an AVP.

2. The right to display listings in response to consumer searches is limited to display of MLS data supplied by the MLS(s) in which the Participant has participatory rights. This does not preclude a firm with offices participating in different MLSs from operating a master website with links to such offices' VOWs.

3. Participants' Internet websites, including those operated for Participants by AVPs, may also provide other features, information, or services in addition to VOWs (including the Internet Data Exchange ("IDX") function).

4. The display of listing information on a VOW does not require separate permission from the Participant whose listings will be available on the VOW.

5. Except as permitted in Sections III and IV, MLSs may not adopt rules or regulations that conflict with this Policy or that otherwise restrict the operation of VOWs by Participants.

**II. Policies Applicable to Participants' VOWs.**

1. A Participant may provide brokerage services via a VOW that include making MLS active

listing data available, but only to consumers with whom the Participant has first established a lawful consumer-broker relationship, including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreement(s).

2. A Participant’s VOW must obtain the identity of each Registrant and obtain each Registrant’s agreement to Terms of Use of the VOW, as follows:

- a. A Registrant must provide his or her name and a valid email address. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection c below). The Registrant may be permitted to access the VOW only after the Participant has verified that the email address provided is valid and that Registrant received the Terms of Use confirmation.
- b. The Registrant must supply a user name and a password, the combination of which must be different from those of all other Registrants on the VOW, before being permitted to search and retrieve information from the MLS database via the VOW. The user name and password may be established by the Registrant or may be supplied by the Participant, at the option of the Participant. An email address may be associated with only one user name and password. The Registrant’s password and access must expire on a date certain but may be renewed. The Participant must at all times maintain a record of the name and email address supplied by the Registrant, and the username and current password of each Registrant. Such records must be kept for not less than 180 days after the expiration of the validity of the Registrant’s password. If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by one or more Registrants, the Participant shall, upon request, provide to the MLS a copy of the record of the name, email address, user name, current password, and audit trail, if required, of any Registrant identified by the MLS to be suspected of involvement in the violation.
- c. The Registrant must be required affirmatively to express agreement to a “Terms of Use” provision that requires the Registrant to open and review an agreement that provides at least the following:
  - i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
  - ii. That all data obtained from the VOW is intended only for the Registrant’s personal, non-commercial use;
  - iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
  - iv. That the Registrant will not copy, redistribute, or retransmit any of the data or

information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property;

- v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

After the Registrant has opened for viewing the Terms of Use agreement, a "mouse click" is sufficient to acknowledge agreement to those terms. The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant.

The Terms of Use agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW.

- d. An agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

3. A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about properties displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

4. A Participant's VOW must protect the MLS data from misappropriation by employing reasonable efforts to monitor for and prevent "scraping" or other unauthorized accessing, reproduction, or use of the MLS database.

5. A Participant's VOW must comply with the following additional requirements:

- a. No VOW shall display listing or property address of any seller who have affirmatively directed its listing broker to withhold its listing or property address from display on the Internet. The listing broker or agent shall communicate to the MLS that a seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listing or property address of a seller who has determined not to have the listing or address for its property displayed on the Internet.

- b. A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that conforms to the form attached to this Policy as Appendix A. The Participant shall retain such forms for at least one year from the date they are signed.

c. With respect to any VOW that:

- (i) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- (ii) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

the VOW shall disable or discontinue either or both of those features as to the seller's listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Except for the foregoing and subject to subparagraph (d), a Participant's VOW may communicate the Participant's professional judgment concerning any listing. Nothing shall prevent a VOW from notifying its customers that a particular feature has been disabled "at the request of the seller."

d. A VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the VOW operator beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The VOW operator shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the VOW operator shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

e. Each VOW shall refresh MLS data available on the VOW not less frequently than every 3 days.

f. Except as provided elsewhere in this Policy or in MLS rules and regulations, no portion of the MLS database may be distributed, provided, or made accessible to any person or entity.

g. Every VOW must display a privacy Policy that informs Registrants of the ways in which information obtained from them will be used.

h. A VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, or whether the listing broker is a Realtor®.

6. A Participant who intends to operate a VOW must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with this Policy and any other applicable MLS rules or policies.

7. A Participant may operate more than one VOW itself or through an AVP. A Participant who operates a VOW itself shall not be precluded from also operating VOWs in conjunction with AVPs.
